COMMENTS ON
STATEMENT OF REASONS FOR ALLOWANCE

Responsive to the Notice of Allowance mailed on November 5, 2004, Applicants agree with the Examiner's conclusions regarding patentability of the allowed claims, without necessarily agreeing with or acquiescing in the Examiner's reasoning. In particular, Applicants believe that the application is allowable because the prior art fails to teach, anticipate or render obvious the invention as claimed, independent of how the invention is paraphrased.

I hereby certify that this correspondence is
being facsimile transmitted to the USPTO
at (703) 746-4000 on November 22, 2004.

Bridgett Barrett

Respectfully submitted,

Dellas G. Frederiksen et al.
